DEAR BROTHERS AND SISTERS IN CHRIST:

ALPHA IS RETURNING TO ST. JAMES:

We will begin our next Alpha Program in March. Since we began offering this program of spiritual development and renewal we have had approximately 250 participants. A good number of them decided to try Alpha because of encouragement from a family member or friend. There is a certain reluctance to join because most people are not sure what the eleven weeks are all about.

Last weekend several of those who participated in Alpha spoke to us about their experience and what it meant to them. They admitted to an initial reluctance but decided to give it a try.

Many of them were surprised but pleased that they had made that decision. It's an informal setting, which starts off with a meal, viewing a short video and then joining a small group of participants to raise any questions and to discuss what the video meant to them. There are no right or wrong answers. The intent of the conversations is to give everyone a safe place to talk about their personal experiences and the challenges or confusions that they might have about God and their faith.

Each of these former participants shared their positive feelings that Alpha made them feel like a real member of St. James. It certainly gives everyone a sense of community and of growing friendships.

While this is an important part of Alpha, its main purpose is to deepen each person's faith, helping each participant discover that God wants to have a personal relationship with him or her. "Going to Mass" on Sunday takes on a whole new meaning. It becomes a deeper expression of one's faith and relationship with God as members of a believing faith community.

SO, SHOULD YOU PARTICIPATE IN ALPHA?

Ultimately, this is a personal decision, but I am inviting you.

How would you describe your spiritual life? Your sense of God's place in your personal life? Your response to the call of a faith that's alive?

I am reminded of Fr. Mark Toups statement, *"If you keep doing the things that you have always done, you will keep getting what you always have received."*

Perhaps God is extending an invitation to you. Since Lent is a season of faith renewal, I invite you to participate in Alpha. I have no doubt that you will be glad that you did.

Gospel Meditation

I craved four things as a teenager: success in sports, food, fun and the attention of popular people. However, I noticed that as I acquired them, I was more unsatisfied than before. So, I'd strive even more energetically, achieve more, and the sense of emptiness was greater still. These four things started to feel like burdens or even curses. Soon after, I encountered Christ in my high school youth group. Experiencing his love was totally different than anything those four things previously produced. It produced a lasting happiness.

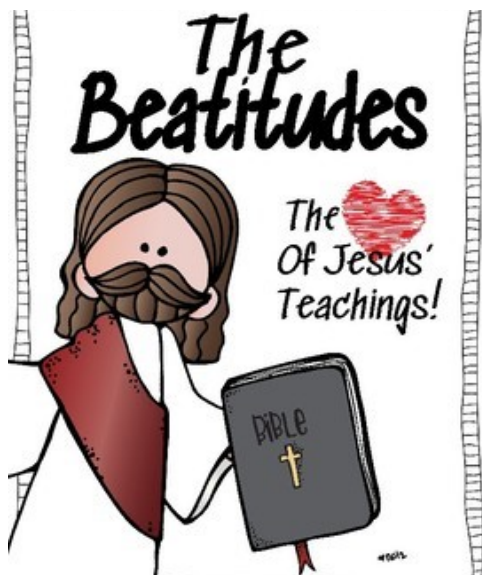

Jesus utters a kind of four-fold curse in this week's Gospel of Saint Luke's "woes": **"Woe to you who are rich...who are filled now...who laugh now...who are well-spoken of"** (cf. Luke 6:24-26). How marvelous that these correspond perfectly to the four things that obsessed my teenage soul: riches, food, laughter and good reputation. The "woes" the Lord speaks are warnings: when those things are the *purpose* of your life, you'll be miserable. He is saying, "You'll be happy, or blessed, in the measure that these things do not determine the shape of our lives, and the kingdom of God does."

To some degree, we're all spiritual teenagers, addicted to one or more of those four "woes." How splendid that the Lord wants his to bless us — that is, to satisfy us, make us laugh with joy, and in the kingdom of God, offer us what will truly satisfy us. But first let's admit what is causing our "woes."

Father John Muir

Live the Liturgy - Inspiration for the week

Too many of us make the mistake of expecting prosperity here on Earth as a reward for following Christ. But Jesus is very clear: sorrow and hardship are a part of life. But when we offer these sufferings to Christ, they become transformed. They become blessed. And so do we.

NO GREATER LOVE

No Greater Love: A Biblical Walk Through Christ's Passion is more than a Bible study. It is a biblical pilgrimage that reveals Christ's amazing love for us. This study will help you understand Christ's passion in a new way. The "head knowledge" you gain will help you grow in "heart knowledge" as you follow up on what you have learned. The Bible will always remain a mystery, though, and that is part of the beauty of it: We can never exhaust the treasures of Scripture. Fortunately for us, the Bible is not a subject to master; it is a place to encounter the living Word of God.

We will be running this program 7:00pm-8:30pm on Thursdays during Lent:
March 6, 13, 20, 27, April 3, April 10.

As you begin this journey, here is what you will need to get started:
please purchase the book

Question: Carnivale and Mardi Gras celebrations are linked to Ash Wednesday, Lent, fast and abstinence. Can you tell us more about the connections between these events? **Q & A**

Answer: Ash Wednesday is the beginning of the forty days known as Lent. Every year, Christians highlight this penitential season as a time of self-examination, reformation of one's life, and continued development of a deeper spiritual life. The recommended practices of prayer, fasting, and almsgiving become the focus of Lenten activity and ritual. Each of these spiritual practices is aimed at personal discipline as well as continued concern for the other, especially the poor or alienated. Forty days is a symbolic biblical period of time, during which personal transformation occurs and out of which people surface as more spiritual, ready to carry out God's mission. Relying on God's providence and care, no matter how difficult life becomes, is crucial to Lenten spirituality. Fasting was initially stricter, permitting only one simple meal a day without meat, fish, or other delicacies. In order to prepare for this in an age of no refrigeration, people gathered to consume whatever was not allowed during Lent. This led to parties or celebrations originally referred to as Carnivale, literally meaning "goodbye to meat," or Mardi Gras, literally meaning "Fat Tuesday." The eating and celebrating ended on the Tuesday just before Ash Wednesday. Today we focus more on moderation in all things, as well as a strong concern the poor. What are you doing for the poor this Lent?
